IOWA SECTION
Institute of Food
Technologists

Feeding the minds that feed the world

WHO WE ARE

Iowa Section IFT is made up of food science and technology students and professionals. Our community comes from many roles within the food profession, including:

- Food Science
- Academic Research & Teaching
- Chemistry & Microbiology
- Technical Sales
- Marketing & Brand Management
- Research & Development
- Regulatory Affairs
- Quality Control/Quality Assurance

OUR MEETINGS

Our meetings take place across the state of Iowa and virtually too!

- Tour cutting-edge food and beverage facilities in sectors like dairy, brewing, food safety, and food ingredients
- Enjoy camaraderie and food at delicious local restaurants
- Support students through scholarships and Food Science Kits
- Support the community through charity events like coat and can drives
- Connect with colleagues in the food industry across the state

YEARLY MEMBER DUES

\$30.00

Members

\$5.00

Students

FAQ

How do I join?

Become a member of IFT and the section at <https://www.ift.org/membership>. There are various levels of membership that offer different benefits

Do I need to be a member to attend?

Nope! Feel free to come check out a meeting

When are our meetings?

The Iowa section member offers 4 meetings a year in September, November, February and April.

How much does it cost?

In addition to yearly dues, meetings cost between \$15-35 for members, \$40 for friends of the section and \$5-15 for students
